

Course title	Great Recession, European debt crisis and Covid-19 crisis. Will EU recover?						ECTS code	14.03.5355				
							ECTS credits	5				
							max. students	25				
Name of unit administrating study	KMikr	Field of study	Economics/MSG**			Field of specialisation	BRAK;BM;BI;BE;AP;IB;TP;TM;TiL;PnRG;PGiSP;PFiR;					
Teaching staff	Marcin Brycz, Ph.D.											
Number of hours												
Lectures	30	Classes	0	Tutorials	0	Laboratory	0	Seminars	0	Language classes	0	
Forma aktywności						Year&Type of studies*	3 SS1,					
Hours with the participation of the academic teacher (including office hours, exams, others):						Semester:	5,					
Hours without the participation of the academic teacher (student's self-study, homeworks):						Type of course:	optional					
Total number of hours:						0	Language of instruction:	English				
Teaching form	in-class learning											
Teaching methods	Lectures including multimodal presentations, Activating methods in training classes, Discussion, questioning, Individual projects, Case studies,											
Prerequisites (required courses and introductory requirements)												
Required courses	Macroeconomics: basic level											
Introductory requirements	Macroeconomics, intrest in financial market.											
Assessment method, forms and criteria												
Assessment method	Course completion (graded)											
Assessment criteria	(50%) Presentation should be 15 min long and also: -less text more own speech -good understand of the subject -logical argumentation -legible slides (50%) Active participation in case study work											
Course objectives												
The objective of the course is to complement the implementation of the impact of subsequent crisis on real economy												
Learning outcomes												
Knowledge	E1_W01	The main purpose of the lecture is to gain knowledge by students on three crises and the connection between financial disruption, real shocks and real economy. Participants than will be capable of making critical analysis of macroeconomic environment amid crisis and its influence on market participants eg. firms, consumers.										
Verification of learning outcomes - Knowledge												
Outcomes	written exam	oral exam	test	essay/paper /portfolio	tasks/ homeworks	individual presentation	group presentation	classroom activities	classroom discussion	individual project	group project	
E1_W01						X			X			
Skills	MSG1_U03	Understanding of the market relationships in times of crisis.										
Verification of learning outcomes - Skills												

Outcomes	written exam	oral exam	test	essay/paper /portfolio	tasks/ homeworks	individual presentation	group presentation	classroom activities	classroom discussion	individual project	group project
MSG1_U03								X			

Attitudes

E1_K07

Communication with market participants on financial crisis.

Verification of learning outcomes - Attitudes

Outcomes	written exam	oral exam	test	essay/paper /portfolio	tasks/ homeworks	individual presentation	group presentation	classroom activities	classroom discussion	individual project	group project
